Privacy Policy - 2026

How TFE collects and protects your data

A clear summary of what we collect, why, how we protect it, and the rights you have over your personal information.

Ref TFE-PRV-2026 | Version 1.0 | Effective 27 Nov 2026
Classification: Public | transcurrex.com

1. What we collect

- Account details - name, email, phone.
- Verification data - government ID and KYC information.
- Transaction records - orders, trades and payments.
- Technical data - device, log and usage information.

2. How we use it

To verify your identity, provide and secure the service, prevent fraud and financial crime, meet legal obligations, and support you.

3. Legal basis (PIPL)

We process personal information under the Personal Information Protection Law of the PRC (PIPL) - for contract performance, legal compliance and legitimate operation of the service - collecting only what is necessary.

4. Sharing

We do not sell your data. We share it only with service providers under contract, or with authorities where required by law.

5. Security & retention

- Data is encrypted in transit and at rest.
- Access is least-privilege and monitored.
- Records are kept only as long as required, then deleted or anonymised.

6. Your rights

You may request access to, correction of, or deletion of your personal information, subject to legal retention requirements. Contact us to exercise these rights.
