70+
World currencies + crypto

< mins
Typical settlement

100%
Escrow-protected trades

2. About us

TFE is an independent online currency and crypto exchange serving customers who move money across borders. We give transparent, mid-market-truthful pricing on 70+ world currencies and major digital assets, settle in minutes, and protect every trade with escrow. From travellers buying holiday money to businesses paying overseas suppliers, our desk handles it under one trusted roof.

Mission: make currency exchange fair, fast and simple.

3. What we do

Currency exchange - 70+ world currencies at live desk rates.
P2P marketplace - escrow-protected peer-to-peer trading.
Crypto on/off-ramp - BTC, ETH and USDT.
Overseas tax refund - shopping tax-refund processing.
Escrow protection on every exchange and trade.
Payments via UnionPay, Alipay, WeChat Pay and bank transfer.

4. How we compare

Illustrative - how a typical TFE trade stacks up against a traditional bank counter.

5. At a glance

Platform	TFE - Currency & Crypto Exchange (transcurrex.com)

© 2026 TFE - transcurrex.com

Currencies	70+ fiat currencies + BTC / ETH / USDT
Settlement	Escrow-protected, typically within minutes
Verification	KYC-verified accounts
Support	24-hour desk, our WeChat
Base currency	Renminbi (CNY)

6. Why customers choose TFE

- ✓ Rates that win - tight spreads; the board rate is the settle rate.
- ✓ Minutes, not days - fund, confirm and receive the same session.
- ✓ Escrow-protected - funds released only on confirmation.
- ✓ Verified & secure - KYC-checked accounts and encrypted data.
- ✓ Global reach - 70+ currencies plus major crypto, one platform.

7. Our service standards

- ✓ Clear pricing shown before you confirm - no surprises.
- ✓ Every trade protected by escrow and a fair dispute process.
- ✓ Responsive support, every day of the week.
- ✓ Privacy by default - your data is never sold.
